Jig Social

**ELEGANTLY CRAFTED
TABLE WITH A
SCANDINAVIAN TWIST**

**HAND-
CRAFTED
SOLID OAK
FRAME**

Workers increasingly appreciate the power of appealing furniture that matches the needs of a modern workspace. The versatile Jig Social – a new addition to the large Jig family - offers style in a robust form with an innovative twist.

A table that provides a place to meet, for mobile workers to check in, or for the team to chat and connect – this is now seen as a must-have.

The Jig Social is offered in two versions - the table or poseur height – and in numerous lengths, with matching upholstered stools and benches.

The sleek solid oak design benefits from hidden features, including reinforcement via the criss-crossed timbers. Each table leg facilitates cable management, with the option of power and data ports. Delivered flat, it is easy to assemble.
