

FRÖVI®

concepts coming to life...

ALTERNATIVE MATERIALS

inspiring our new designs

Bringing our creative concepts to life, our new furniture collection offers a unique look to enable interesting workspaces. All designed to complement existing products within the Frövi portfolio.

Expect the unexpected and be surprised by colour, alternative materials, charming statement pieces, and the type of furniture where people love to gather and work productively.

Crafted with mix and match colours, materials, fabrics and frames to offer endless design possibilities, our new products provide fresh opportunities for creative expression in today's changing workspace.

DRIVE

Our Drive chairs are doubly appealing because every detail can be configured to suit your setting

Elegantly crafted with eye-catching good looks

The ultimate in glamour and comfort, these charming chairs really make a statement
