Block Wood

THE MEETING SPACE WITH A TOUCH OF NATURE

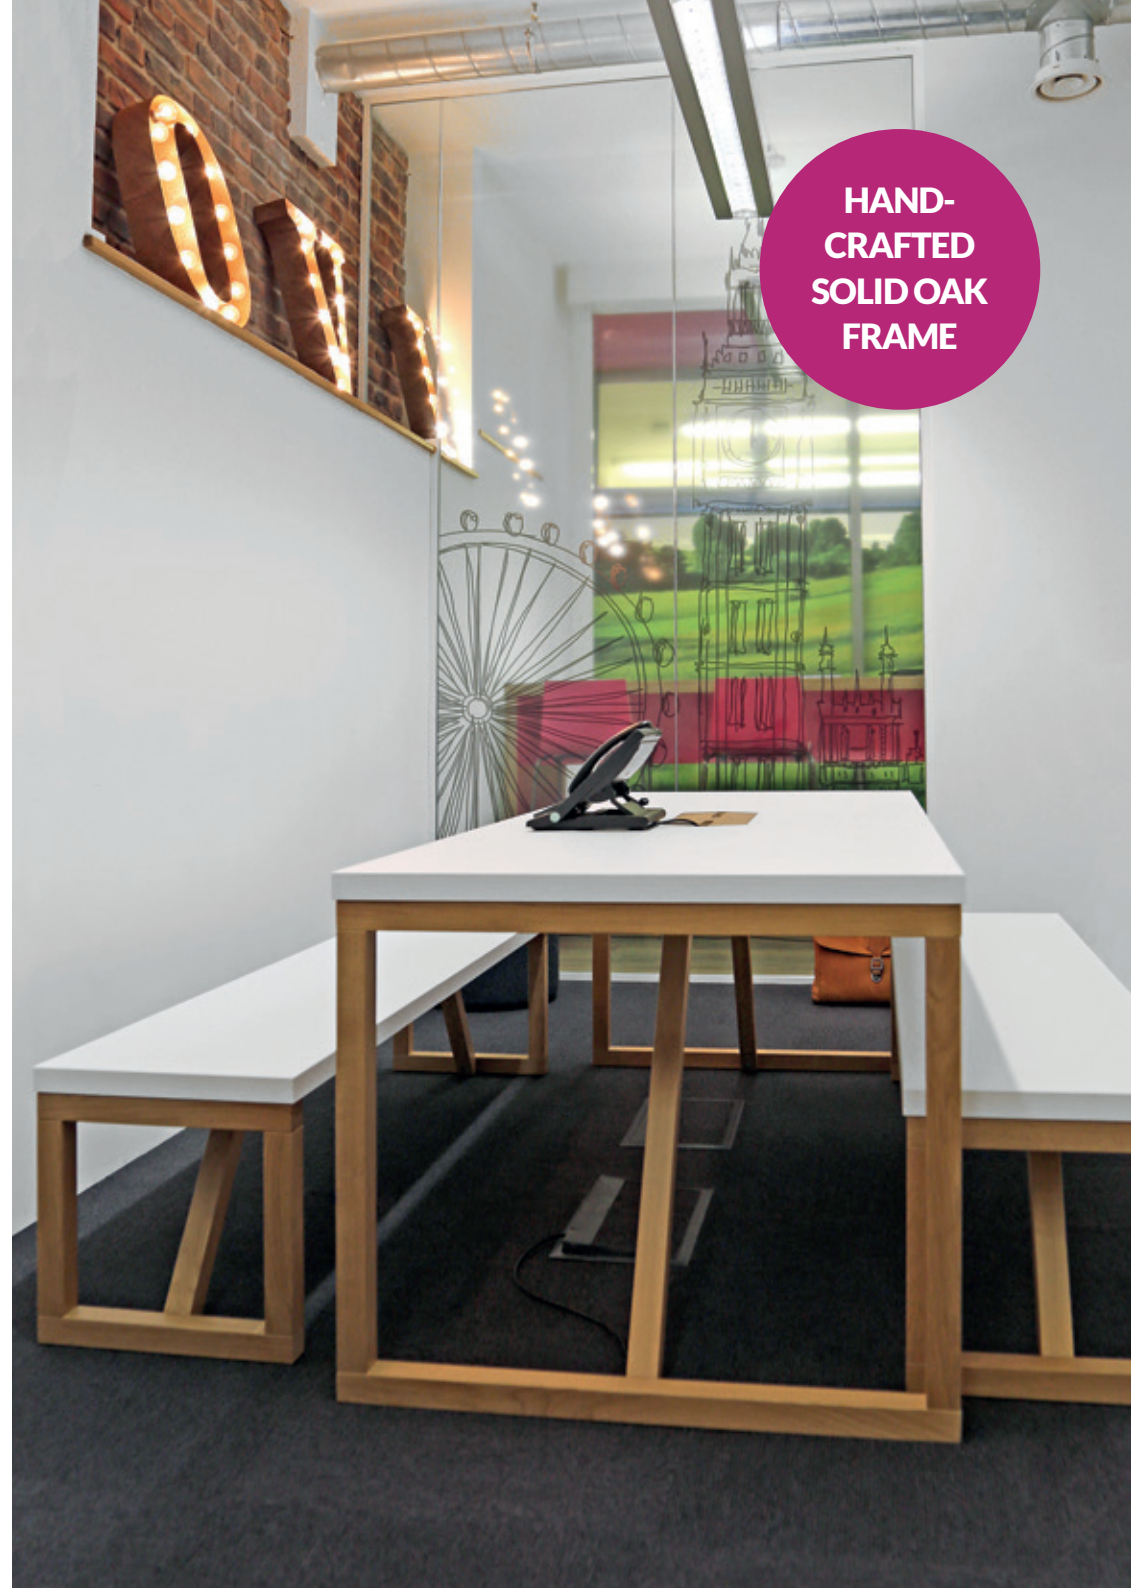

Oak has a treasured place in English heritage. Revived appreciation of its beauty has seen its introduction into some of the finest contemporary workspaces and communal settings. Block Wood captures the trend and combines it with function.

Fine oak framework combined with minimal white tops creates a bench/table combination which is striking in its simplicity. Block Wood is the latest addition to Frövi's Block family – the leading bench seating within the UK.

Meeting, eating and working – Block Wood is user-flexible and well equipped. Optional power and data ports are fully integrated and hidden from view, facilitating fully connected work with ease.

Delivered flat for easy assembly, Block Wood is an inspired answer to contemporary workspace requirements.
