FRÖVI®

TRUI 11

CONTENTS

our story.

We are a family owned British furniture company with a name inspired by Scandinavian design.

With Frövi, you'll always find innovative, distinctive furniture with signature designs, created through the best of British craftsmanship since 1976.

Every care is taken to ensure that all our products are manufactured to a very high standard, so you can be sure that when purchasing a piece of Frövi furniture you are purchasing a quality product.

From our design studio in Oxfordshire and our manufacturing facility in the Cotswolds; designs are created, constructed and delivered, enabling us to quickly adapt to the ever evolving workplace.

Our showroom is located in the heart of Clerkenwell, London - a space to showcase our latest furniture collection, design trends & interior styles.

Frövi furniture is designed for commercial environments, and you can be confident that every piece will deliver on quality, strength and value, all supported by our 5-year warranty.

Whether you are an architect, designer, specifier or furniture dealership, we are confident that we can deliver the right products and services to complement your project.

Furniture for social spaces
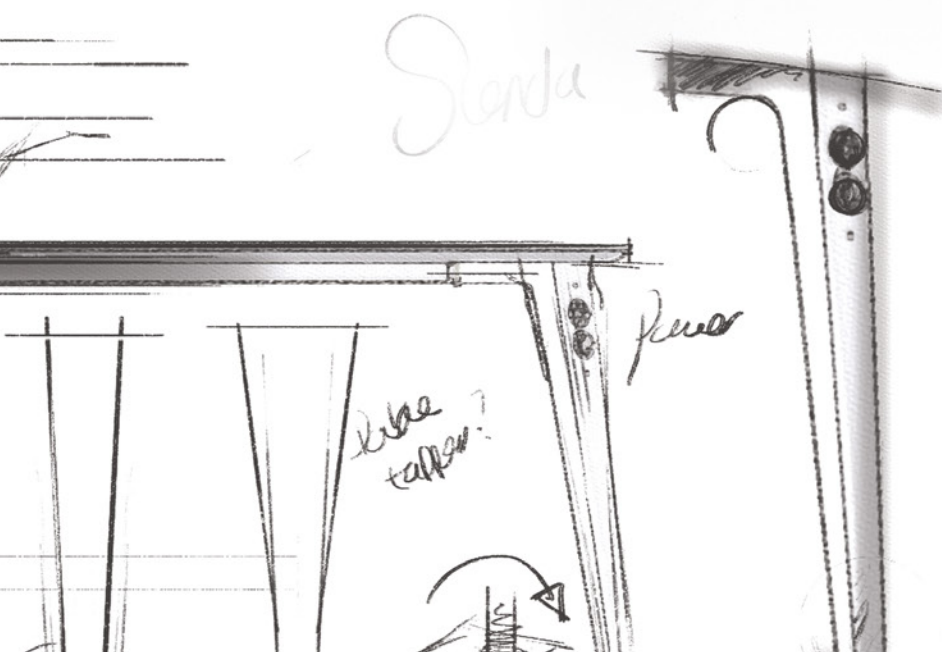

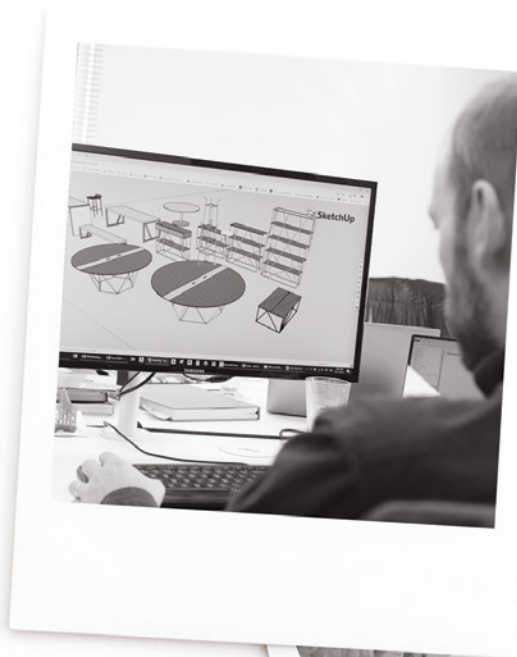

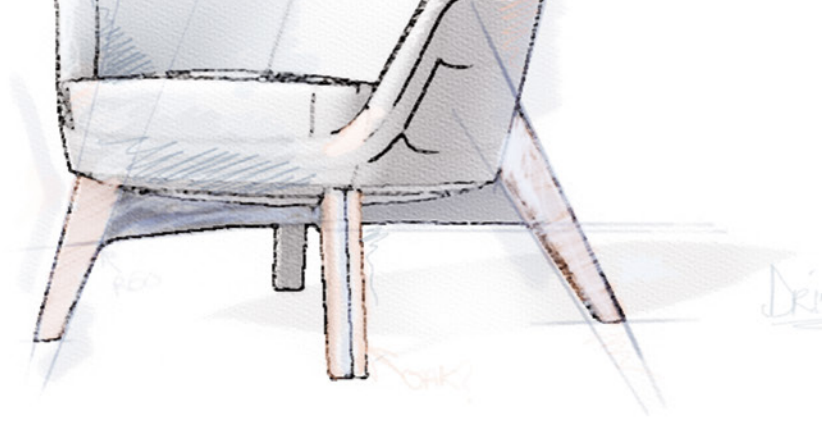

FRON 18

behind the scenes.

At Frovi we pride ourselves on creating forward thinking-innovative products. That is why we have our own in-house designers that consistently exceed convention and deliver new concepts that create ripples throughout the industry. Based in Oxfordshire our designers produce increasingly impressive concepts, with a keen attention to detail and the use of innovative new materials.

Each design reflects the creative philosophy of our designers, with a passionate transition from thought to concept using traditional drawing methods and 3D computer aided design. The initial design is then quickly followed by prototyping and development, then the first public designs make their way to our showroom.

The design process however, never truly ends as the team consistently question how our existing designs can be improved – as you will see throughout this specification guide…

fresh finishes.

───────────────────

Creating new design stories with our fresh finishes and innovative new materials.

There is something for every scheme within our new collection, designed to suit differing workspace requirements, installation timeframes and budgets.

Introducing a number of new finishes offering a palette of colour and texture.

Explore the endless design possibilities.

CO-WORKING
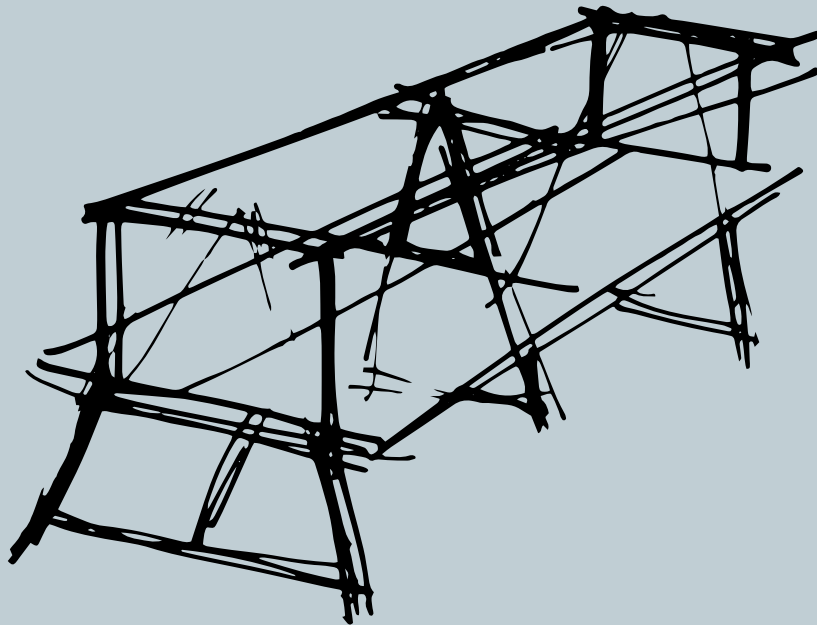

RELIC

This versatile range is a natural choice for any co-working environment, creating collaborative spaces for agile working and social exchange. Relic fuses together rustic detail and industrial inspiration. Bringing together warmly finished wood and well-worn metals, creating a look that's comfortable, inviting, and on-trend.

Relic Table with Power and Low Stools

Relic Table shown with Medium Bench

FEATURES

Available with our genuine oak antique-character Sawn tops

Fully integrated and concealed cable management

Inset frame allows additional seating at the ends

Size customisation from short to extremely long lengths and double widths

Power and data port options

Height levelling feet

Fast self-assembly

Relic High Stool with Upholstered Seat Pad and Raw Steel frame

Relic Poseur Table and High Stools

Relic Table with Vintage Brass frame and White top

STEPS TO SPECIFY

Follow our guide and customise our products to suit your space

---

1 ② ③ ④ ⑤ ⑥

Select Frame: Standard, Poseur or with Castors

---

① **2** ③ ④ ⑤ ⑥

Diagrams show an 'average chair' placed around the tables as seating capacity indication only. Capacity can be increased via the use of benches.

Select Size:
Example sizes with chair configurations below, see page 16 for full range of sizes.
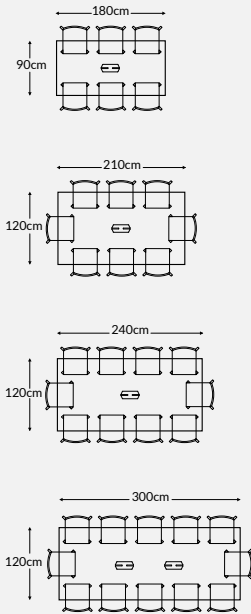

180cm × 90cm	*Standard & Poseur*
210cm × 120cm	*Standard & Poseur*
240cm × 120cm	*Standard*
300cm × 120cm	*Standard*
360cm (180cm + 180cm) × 120cm	*Standard & Poseur*
420cm (210cm + 210cm) × 120cm	*Standard & Poseur*
520cm (260cm + 260cm) × 120cm	*Standard*
600cm (210cm + 180cm + 210cm) × 120cm	*Standard*

---
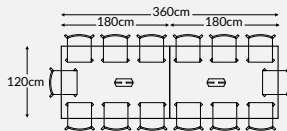

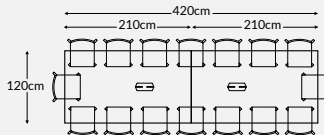

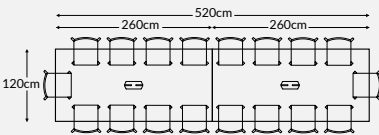

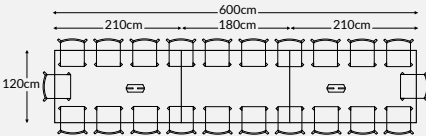

① ② **3** ④ ⑤ ⑥

Select Power: Powered or Non-powered

Relic Tables can be specified with or without integrated power.

Discreet Power can be specified in addition to the table - *see accessories opposite.*

Relic Tables with Power are supplied as standard with a cut-out table top, cable tray and steel lift-out power flaps in the same colour as the steel under-frame. The power flaps are available in Raw Steel, RAL and Vintage finishes.

Standard power configuration for Relic Tables with Power

For power variations, the amount of power cut-outs per table varies depending on the length. Power modules per power cut-out are available with one of the options below.

Table Length	Power Cut-outs
160mm to 240mm	1
300mm to 630mm	2*

Option A (INT-P.A/4UK/2TU/WH)
4x UK Power & 2x Twin USB Charge (1x Type-C & 1x Type-A USB Charge)

Option B (INT-P.B/4UK/TU/C6/H/WH)
4x UK Power, 1x Twin USB Charge (1x Type-C & 1x Type-A), 1x CAT6 & 1x HDMI

Option C (INT-P.C/4UK/TU/2C6/WH)
4x UK Power, 1x Twin USB Charge (1x Type-C & 1x Type-A) & 2x CAT6

For two or more power cut-outs, please specify each power module option per cut-out.

STEPS TO SPECIFY

Follow our guide and customise our products to suit your space

(1) (2) (3) (4) (5) (6)
**Select Height:** Standard or Poseur

---

(1) **(2)** (3) (4) (5) (6)

Diagrams show an 'average chair' placed around the tables as seating capacity indication only. Capacity can be increased via the use of benches.

Select Size:
Example sizes with chair configurations below, see page 34 for full range of sizes.

180cm × 90cm — Standard & Poseur

360cm (180cm + 180cm) × 120cm — Standard & Poseur

210cm × 120cm — Standard & Poseur

420cm (210cm + 210cm) × 120cm — Standard & Poseur

240cm × 120cm — Standard

520cm (260cm + 260cm) × 120cm — Standard

300cm × 120cm — Standard

600cm (210cm + 180cm + 210cm) × 120cm — Standard

---
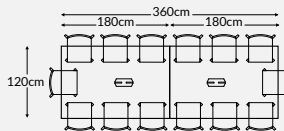

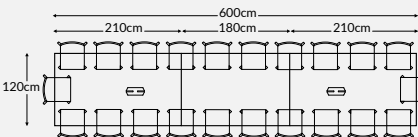

(1) (2) **(3)** (4) (5) (6)

Select Power: Powered or Non-powered

All Jig Social Tables can be specified with or without integrated power.

Jig Social Tables with Power are supplied as standard with a cut-out table top, cable tray and a reversible laminate MDF lift-out power flap.
To co-ordinate with the frame finish, this will be White/Oak for Natural Oak frames or White/Black for Black Oak frames.

Standard power configuration for Jig Social Tables with Power

For power variations, the amount of power cut-outs per table varies depending on the length. Power modules per power cut-out are available with one of the options below.

Table Length	Power Cut-outs
160mm to 240mm	1
300mm to 630mm	2*

Option A (INT-P.A/4UK/2TU/WH)
4x UK Power & 2x Twin USB Charge (1x Type-C & 1x Type-A USB Charge)

Option B (INT-P.B/4UK/TU/C6/H/WH)
4x UK Power, 1x Twin USB Charge (1x Type-C & 1x Type-A), 1x CAT6 & 1x HDMI

Option C (INT-P.C/4UK/TU/2C6/WH)
4x UK Power, 1x Twin USB Charge (1x Type-C & 1x Type-A) & 2x CAT6

*For two or more power cut-outs, please specify each power module option per cut-out.

JIG SOFA HIGH

The privacy promoted by the high back allows it to be placed throughout workspaces to encourage meetings in an open environment. The clean, square lines of this piece give a subtle nod to mid-century design, while its large scale means there's plenty of room to work in comfort.

JIG MODULAR

This range has been designed to create a multitude of comfortable, relaxed and practical layouts, as a modular seating system which is easily and robustly locked together using our special linking clips. Alternatively Jig Modular can be used to create groups of large or small sofas with armchairs and coffee tables. The dual height options provide both the intimacy of the high-back and the openness of the low-back in a single configuration.

Jig Modular shown with Jig Coffee Table

FEATURES

Solid oak frame suitable for heavy use areas

Deep foam, webbed seat for extra comfort

Extensive range of fabrics with option of contrasting buttons

Linking brackets supplied as standard

HUDDLE MODULAR

A versatile modular system, Huddle can be arranged and linked into a variety of shapes, offering effective screening from walkways and adjacent areas. Featuring straight, inward and outward facing curved units, Huddle is one of our most versatile designs, with elegant end-units to finish off a run of seating. It works well within confined spaces, large open-plan areas and vast atriums.

Huddle Modular Low shown with Laptop Table
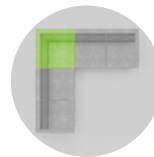

Huddle Modular High

Huddle Modular Low

FEATURES

Simple configuration, including three corner options

Deep-foamed seat and back rests for extra comfort
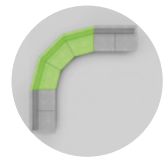

Linking brackets supplied as standard

Extensive range of fabrics available

Square Corner
(90˚ Corner)

Tight Corner
(45˚ Bends)

Slow Corner
(30˚ Bends)

NEST

A truly configurable seating option - this geometric design is adaptable to any workspace, allowing creativity with colour and shape as it can be nested together to create infinite combinations. It works as individual pieces or in modular layouts to create waiting, working or relaxing environments. Therefore, it lends itself to a host of applications across corporate or hospitality marketplaces.
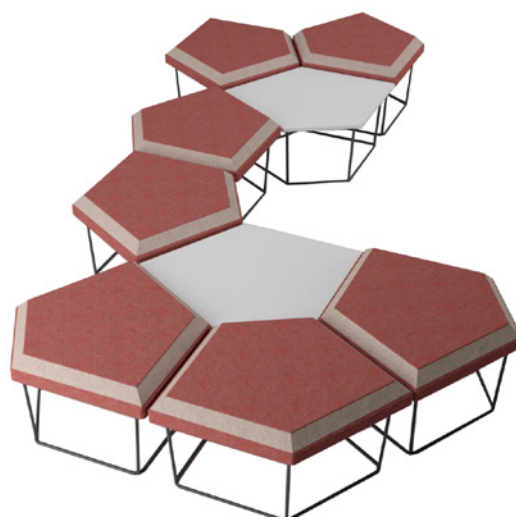

FEATURES

Deep-foamed seat for extra comfort

Available in a range of frame finishes

Extensive range of fabrics available

Matching table available

GROW STOOL

Quirky, fun and contemporary, the Grow Cork Stool is a perfect addition to today's workspace atmosphere. A great piece of furniture to sit on and enjoy a drink or catch up with colleagues. This stool is made of solid natural cork, durable and robust so can't be knocked over easily. Easy to move around on glides and surprisingly comfortable to sit on.

Grow Stool shown with Foundry Giant

FEATURES

PTFE (Teflon) glides to enable easy movement on all floor surfaces

100% solid natural cork

Sustainable design

Optional seat pad

JIG UPHOLSTERED

Inspired by Scandinavian minimalist design, our Jig Upholstered is truly style led. The curved upholstered seat and supportive backrest adds comfort and warmth, excellent for meeting rooms or breakout areas. Available as a stool or chair, each leg has protected feet that keep floors free from scuffs and prevents slipping.

Jig Upholstered Chair

Jig Upholstered Chair

FOUNDRY

Providing contrast between the beauty of wood and raw industrial characteristics of Rebar metal; the Foundry range offers a unique and truly design-led product. The use of alternative materials such as Rebar within the workspace can make a bold statement. Foundry is ideal for creating zones and dividing open-plan workspaces.

Foundry Coffee and Console Table shown with Snug and Drive High

FEATURES

Rebar material used for a truly industrial finish

Table tops and shelves available in Black or Natural Oak

All Frovi RAL finishes available for frames

Foundry 120 Shelves with Black Oak
shelves and Anthracite frame

Foundry 200 Shelves with Natural Oak
shelves and Anthracite frame

Foundry 200 and 120 Shelves

Note: Not all the fabrics listed above are suitable for all Frövi products. Please ensure when selecting a fabric that it is suitable for the specific furniture item. Frövi reserves the right to decline to use any fabric which it deems unsuitable for a particular furniture product. Many fabrics are tested to BS 7176:2007 Medium Hazard (Crib 5) but this is not universal. **If in doubt please contact Frövi sales office for confirmation. Call +44 (0) 1608 652411.**

INFORMATION

Frövi is a UK brand, sold through distributors throughout the UK and beyond

IMPACT ON THE ENVIRONMENT

We believe that environmental and ethical values should lie at the core of our vision for the future. Protecting the environment is paramount for both us and future generations. Every product we produce has an environmental impact but at Frövi we are constantly striving to reduce the impact of this as far as possible. To attain these goals we constantly review best practice to ensure your Frövi product is produced to the highest standard of sustainability. These goals include resource and waste management to reduce our carbon footprint through reduction of energy consumption, recycling and minimising our waste to landfill.

ISO

Frövi is a registered ISO 9001:2015 and ISO 14001:2015 company.

FISP

Frövi understands the necessity of working with all of our suppliers to ensure they share the same aims and visions of the company. We recognise the importance of the EU Timber regulations which prohibit the sale of illegally sourced or harvested timber and/or timber products entering the EU. These regulations work to protect natural habitats in unstable regions around the world.

Frövi is a certified Furniture Industry Sustainability Programme (FISP) member.

FSC

Forest Stewardship Council® (FSC®) is a global, not-for-profit organisation dedicated to the promotion of responsible forest management worldwide.

FSC has developed a unique system of forest certification and product labelling, helping consumers identify timber and products from responsibly managed forests. FSC's system is backed by a range of environmental and social organisations, major companies and trade unions.

More FSC products mean that more FSC certified forests are being managed for the long-term well-being of people and the planet.

FSC runs a global forest certification system with two key components: Forest Management & Chain of Custody.

This system allows consumers to identify, purchase and use wood, paper and other forest products produced from well-managed forests, recycled materials and other controlled sources. Rigorous controls ensure that timber from these FSC certified sources can be verified along the FSC chain of custody before it reaches the consumer.

Frövi is a certified FSC company. Certification Registration Code: SA-COC-005644. Licence Code: FSC-C134751

QUALITY, STANDARDS AND TESTING

Quality is vital in all Frövi products. Frövi is committed to ever increasing product quality. Regular quality control checks coupled with ongoing rigorous research and development keeps Frövi at the forefront of the industry. Many Frövi products are tested to international standard (ISO, BSEN) at recognised test facilities, such as FIRA, SATRA and CATAS, thus giving our customers peace of mind that the product they are purchasing has been rigorously tested in laboratory conditions to ensure its safety and suitability for use in the contract environment.

Certificates, where relevant, are available on request.

DESIGN REGISTRATION

All Frövi designed products are registered with the Intellectual Property Office. This Government registration is in place to prevent people copying or stealing our designs. The design registration covers the look of Frövi designs including the appearance, physical shape, configuration (or how different parts of a design are arranged together) and decoration.

By registering our designs, Frövi is protected against anyone copying them and we have the right to prevent others using our designs for up to 25 years. Frövi can take legal action against any design infringement and/or design copying.

Further details and registration number are available on request.

INFORMATION

**Our passion for quality
is infused into each piece
of Frövi furniture**

5 YEAR WARRANTY

All Frövi products carry a five year structural warranty. Any defects in material specified by the customer such as fabrics, laminates and veneers which are not manufactured by Frövi, will be subject to the original manufacturer's warranty terms & conditions.
All laminate finishes, surfaces and painted products are covered by the original manufacturer's warranties.

Any damage caused by accident, misuse, abuse, neglect and standard wear & tear, is not covered by this warranty. Any issues arising from the defective and/or incorrect assembly of Frövi products where the furniture was supplied but not assembled by Frövi trained fitters will not be deemed as warrantable and therefore will be chargeable in full.

Frövi reserves the right to decide whether to repair and/or replace any product/s that are deemed to be covered by their warranty and the decision by Frövi is final.
Regular care and maintenance of all furniture items by the customer is an essential condition of the Frövi warranty. It should be noted that all screws, nuts, bolts etc. must be checked on a regular basis. Damage, fracture or other failure of Frövi furniture due to lack of maintenance is not warrantable and will be charged according to Frövi Terms & Conditions of Sale.

Full detailed copies of both the Frövi Warranty Terms & Conditions and Frövi Terms & Conditions of Sale are available on request.

WOOD SEATING & TABLES

Frövi cannot guarantee an exact match of any wood items, and any variation in colour, texture or grain is not considered a defect due to the natural nature of the product. Matching of colours between different batches is also not guaranteed, as wood finishes will age with time and exposure to sun light. Wooden furniture is exclusively designed for indoor use and should not be exposed to increased humidity.
