

VALDE

Due to a **wide range of available elements** **the shape** of the Valde reception desk **can be configured in various forms** – from a **circle**

through an **arch** to **angular** and **simple blocks**. It allows to arrange even small reception rooms without any problems.

VALDE

The body of the counter includes hidden **table** with enough space for a computer or a printer. **handy shelves** for files and a **wide working**

VALDE

The **high gloss HPL front** of VALDE is available in **six finishes** – **red, orange, green, white, oak** and **chestnut**. With

the **LED-lighting** switched on, the reception desks reveal the **intensity of the colour**.

Cool light perfectly harmonizes with the chestnut finish and emphasizes the hue of the colored front.

VALDE

Let us pay attention to the reception desk with the lowered desk top which makes communication easier and works perfectly in customer service bureaus.
