#### Our Company

#### Local pride.

Founded in 2010, Joint Design Direction was started by Joe Duffell and James Mercy, 2 local guys who grew up around Birmingham and the Black Country. We take pride in the manufacturing heritage we are part of in the West Midlands, the heart of the innovations that started the industrial revolution. We are about upholding those values of mixing innovation and a strong work ethic with a down to earth, honest approach.

#### Honesty.

With us, there is no bureaucracy. We are 100% independent and we offer a fair and honest price for fair and honest work. That pride in our work and how we approach it means that if we do make mistakes, we take responsibility and we make sure we solve them.

#### Our Products

#### The casual workplace.

Workspaces need to be versatile, mobile and flexible. We make designs that deliver separation. Where people can come together to collaborate as well as for private contemplation, enhancing the open plan office.

#### Design and manufacture locally.

We don't ship parts from other continents, we don't outsource design and we don't outsource development. This isn't just a mantra. This means that we have ultimate control over our lead times, we have control over quality, we understand our products inside out and the craftsman in our team that develop our products are the same craftsmen that make them – locally, to order.

#### Our Responsibility

We have a responsibility to our community and environment. We offer student placements and mentoring sessions to local schools and universities, allowing the next generation of designers and skilled craftsmen opportunities to gain experience and knowledge.

As a manufacturer, we also need to be gentle on the environment, never wasteful of raw materials and always reduce, reuse and recycle! As timber is a primary component of our products, we are FSC ® certified (FSC-C109654) which ensures our timber comes from fully audited sustainable forests.

Birmingham based with a global reach, JDD was born with the belief of

'COMFORT BEFORE COMPROMISE'

For 10 years we've empowered working environments around the globe to let the ideas flow, embracing the agile, flexible and fun.

"JDD" or "Company" is JDD Furniture Ltd.

"Buyer" is the end company or individual receiving the final products or services as defined by the quotation or proposal. "Terms" means these terms and conditions unless otherwise specified.

"Goods" means the products or services which JDD is to supply in accordance with the Buyer's order.

### 2. Basis of terms

The Terms shall constitute the entire agreement between JDD and the Buyer to the exclusion of all other terms and conditions (including any terms and conditions which the Buyer purports to apply under any purchase order, order confirmation or specification supplied).

The Buyer's confirmation of order shall be deemed to incorporate JDD's Terms.

### 3. Payments

- **3.1** JDD's products are quoted on an order-specific basis in respect of specification and order quantity.
- 3.2 All prices are quoted in Pounds Sterling (£) and exclusive of VAT which is charged at the current rate on all products and services unless specified otherwise.
- 3.3 Unless otherwise agreed in writing by JDD, payment in full for all products and services will be due in advance.
- 3.4 Goods will not be dispatched until full payment has been cleared with the Company's bankers, unless specifically agreed in writing. JDD accepts no responsibility or liabilities for delays incurred as a result of non-cleared funds.
- 3.5 Where the Buyer is an existing customer with an approved account, payment shall be made within 30 days of the date of the invoice.
- 3.6 In the event of late payment to the Company, further charges may be incurred. In the event of payment terms being exceeded then, without prejudice to any other right or remedy, a surcharge (currently 10%) may be applied to the account unless otherwise agreed in writing.
- 3.7 Payment terms are strictly as stated. In addition to the surcharge above becoming payable, non payment of an invoice within the stated terms will result in legal action. Any costs incurred in securing payment of overdue accounts will be met by the Buyer.
- 3.8 Payment is accepted by BACS transfer, CHAPS transfer.

### 4. Specifications

- **4.1** Specification will be to the Company's standard unless changes have been agreed in writing between the Buyer and JDD. Any queries with regard to specification should be resolved prior to order. All specifications provided by the Buyer shall be interpreted literally and without implied meaning.
- 4.2 Once an order has been placed and specification agreed, any subsequent changes must be confirmed by the Buyer in writing accompanied by an authorising signature.
- **4.3** JDD has a policy of continual product development and reserves the right to amend design specifications and dimensions without prior notice.
- **4.4** JDD reserves the right to make any alteration or amendment to indicated Company or Buyer specification to ensure compliance with JDD's design and manufacturing standards and its reputation. **4.5** Modifications or amendments to product specification will not give cause for liability nor cancellation of any order.

### 5. Non standard products or drawings

- 5.1 All patterns, drawings, designs and samples will, unless agreed otherwise, be the property of JDD.
- 5.2 At the same time as approving any specification supplied by the Buyer, JDD will confirm the amount of any increase in standard prices necessary to comply with the revised specification.
- 5.3 In supplying products to client specification, JDD accepts no liability for, and the Buyer will fully indemnify JDD against, any claims, costs, damages, demands, losses or other liabilities which arise in respect of any and all infringement of intellectual property rights of any third party.

### 6. Preliminary works

All work requested by the Buyer will be chargeable unless agreed otherwise. A request may come from signed documents, emails or verbal agreements where minuted. Should any order, project or work be suspended by or delayed through any default of the customer for a period of 30 days, JDD will be entitled to payment for work already carried out, costs incurred, materials specially ordered and any other related costs.

### 7. Placing of orders

7.1JDD will only accept orders placed in writing from the Buyer, either by Purchase Order on headed paper or by return of the Order Confirmation supplied with any written Quotation. JDD reserves the right not to proceed on instructions received by electronic mail alone.

### 8. Cancellation of orders

**8.1** JDD will only accept cancellation of an order if notified within 48 hours of its receipt. Where manufacturing, material or other costs have been incurred the order will stand.

**8.2** If a Buyer decides to terminate business with JDD, all work, materials or associated costs shall be invoiced for and payable by the Buyer. Any deposits, advances or preliminary payments will be treated as a cancellation fee and are non-refundable.

### 9. Lead times

9.1 Where a target or anticipated delivery date may be agreed between the Company and the Buyer at the time of order, no period stipulated for delivery shall commence until all details have been agreed and (except in the case of credit account holders) payment has been made and cleared with the Company's bankers.

9.2 While JDD will in every case strive to meet stated deadlines, the nature of the Company's work is such that there may be occasions where unforeseeable circumstances delay completion of products or services. JDD will not be liable for any loss of earnings, turnover, sales or profit or other loss to the Customer should an order incur unforeseeable delays.

### 10. Delivery

10.1 Prices do not include delivery unless clearly indicated. A separate charge for delivery will be quoted where required and is based strictly on the quantity specified. Amendments to order quantities may affect delivery charges which are payable by the Buyer.

10.2 Delivery of Goods is deemed to have taken place when they have been dispatched by the Company. The Buyer is responsible for checking goods on delivery (see 12.2).

10.3 JDD must be notified of damage within 24 hours of delivery. Claims after this period will not be accepted.

10.4 All deliveries are 'tailgate' unless agreed in writing; the Buyer is responsible for ensuring arrangements are made for lifting and placing of goods into the delivery address.

### 11. Order delays & storage

11.1 Goods paid for in full will be stored for a maximum of 14 days from the order completion date agreed at time of order unless agreed in writing. Goods held after this point will incur a storage charge equivalent to 1% of the total order value per calendar week. Storage charges must be paid before goods are dispatched. JDD reserves the right to dispatch goods to the Buyer at any point following the delivery date agreed at time of order.

11.2 Goods not paid for in full will be held for a maximum of 14 days from the order completion date agreed at time of order unless agreed in writing. Orders remaining unpaid after this point will be treated as cancelled and goods may be sold to recover costs incurred. Any deposits, advances or preliminary payments will be treated as a cancellation fee and are non-refundable (see 8.2).

In addition, JDD will be entitled to charge for any work carried out, materials purchased or other costs. This charge will be treated as an immediate debt payable within 5 working days. Non- payment will incur further charges (see 3)

### 13. Returns

13.1 JDD operates a strict No Returns policy unless goods are deemed to be faulty or otherwise agreed by the Company.
