ARROW FIT-OUT

ARROW FIT OUT

ARROW FIT-OUT

The Client brief was to create a new Headquarters for their executive team; the vision was to create a space with a unique approach. The design needed to be distinct with original features. Our bespoke team of craftspeople began with a custom built boardroom table, ceiling and wall feature; accompanied by orange Verco Vibe chairs all wrapped in a curved glass wall. This stunning curved glazing is both functional and striking from all viewpoints. The corridors are flanked in bespoke elements including storage with plant life. The bright breakout space is secluded by a curved wooden feature wall with select lighting and furniture.

Every element of this extensive fit out project was purposely selected to deliver on both style and practicality. Huntoffice Interiors managed all facets of the project from stud work, mechanical, electrical, flooring, AV, bespoke joinery, furniture selection and everything in between.

The project was delivered within budget and strict timeline.
