PALLAS FOODS FIT-OUT

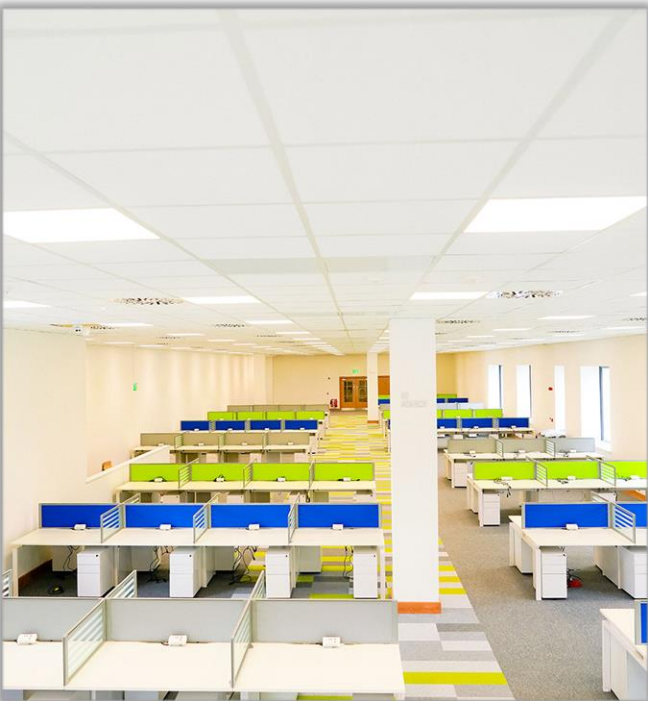

PALLAS FOODS FIT-OUT

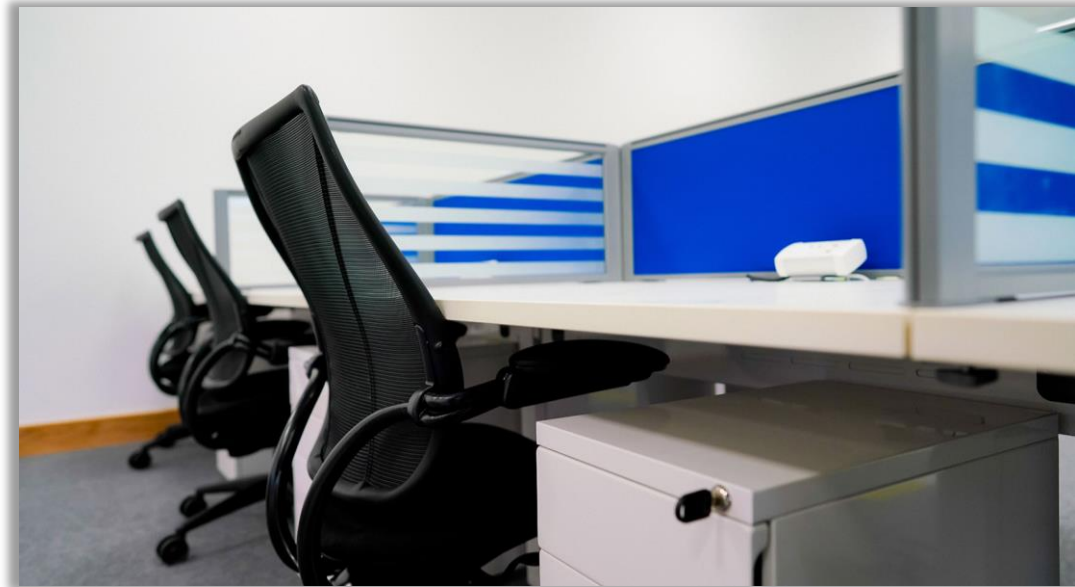

PALLAS FOODS FIT-OUT

We were tasked with a strict, one week deadline to complete a number of fit out solutions within the Pallas Foods office in Newcastle West, Co. Limerick. The primary fit out objective was redesigning a large open plan office to accommodate 120 staff in a more ergonomic and comfortable workspace. We designed the layout, colour scheme and selected the furniture that best suited the brief. Framework Bench Desking with floating tops along with a mixture of front facing fabric desktop screen dividers and side glazed/etched dividers to create a workable solution, giving each team member more privacy and space.

Storage included slim white metal pedestals and under desk storage. Other fit out solutions included, neat desk top power modules for each workstation and Humanscale Ergonomic World chairs. In addition to the open plan office, 3 large meeting rooms with new boardroom tables and Humanscale chairs were fitted. Fluffo Acoustic Wall Panels were also fitted to absorb sound within the building.

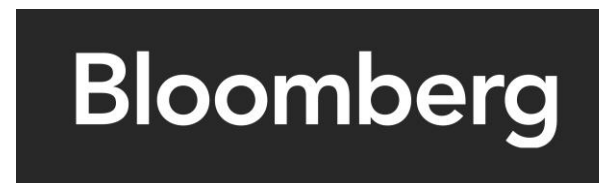

Pallas Foods is the largest food business of its kind in Ireland. Started as a family business it has now grown to a team of over 1,300 people delivering food solutions to thousands of customers every day. Pallas Foods have offices in Dublin, Limerick and Lisburn.
